PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED UPON**FAILURE TO RECEIVE OFFICE ACTION UNDER 37 C.F.R. §1.181**

Dear Sir:

This communication is in response to the Notice of Abandonment mailed February 8, 2005, directed to the above-identified application, which indicated that Applicant failed to timely file a proper response to the Office Action mailed June 2, 2004.

Applicant submits that the original Office Action mailed June 2, 2004, was never received. In particular, the undersigned herein attests that a search of the file jacket and docket records indicates that the original Office Action mailed June 2, 2004, was not received.

Applicant has attached a print out of the docket record for the above-identified file, indicating that no entry exists for the Office Action. For purposes of identification, the item identified as "A" is the serial number of the present case. The item identified as "B" is the case docket number. As can be seen by way of Item "C" no reply period exists in the docketing system because the Office Action, which includes allowed claims, was never received. The lack of any such data in this location indicates that the Office Action was not received.

In light of the foregoing, respectfully requests that the present holding of abandonment be withdrawn, without fee, and further respectfully requests reinstatement of the above-identified patent application in accordance with 37 C.F.R. §1.181.

Should anything further be required, a telephone call to the undersigned, at (616) 355-0400, is respectfully solicited.

Respectfully submitted,
KING & JOVANOVIĆ, PLC
